In our recent work (Kolanowska et al. 2021), a wrong figure was published as *Cranichis beckii* Kolan., Baranow, S. Nowak & A. Fuentes, sp. nov. Instead of the newly described species, the figure of *Cranichis badia* was presented twice. Here, we present the correct illustration of *C. beckii*.

**Figure 1.** *Cranichis beckii* sp. nov. **A** ovary and gynostemium **B** floral bract **C** dorsal sepal **D** lateral sepal **E** petal **F** lip, side view **G** lip, front view. Drawn by P. Baranow from S. G. Beck 313 et al. (LPB).
