In a paper about three new species of *Foenobethylus* (Bethyridae) (Li et al. 2022), the new name *Foenobethylus robusta* Li & Chen, 2022, was erroneously coined. *Foenobethylus* is undoubtedly of masculine gender, so the adjectival species name should be *Foenobethylus robustus*. We regret this error and provide the correct species name below.

***Foenobethylus robustus* Li & Chen, 2022**

## Acknowledgements

We thank the subject editor Dr. Michael Ohl and the reviewer Dr. Celso Azevedo for reaching out to us regarding the error.
